**BCI AIRCRAFT LEASING, INC. COMPLETES SALE OF BOEING 737-200;
AIRCRAFT TO OPERATE WITH SKYJET**

CHICAGO, April 30, 2009 - BCI Aircraft Leasing, Inc. ("BCI") today announced it has sold one Boeing 737-232 passenger aircraft to Alok Group. The aircraft will operate for SkyJet of Uganda.

"We are pleased to have completed this mutually beneficial transaction with Alok Group. Africa remains an important region for us and we look forward to additional opportunities to expand our presence there," said Joe Cirillo, Vice President for BCI.

The aircraft, bearing manufacturer's serial number 23098, is equipped with two Pratt & Whitney JT8D-15A engines. BCI had the aircraft on long-term operating lease to Sky King, Inc. before the sale to Alok Group. Prior to re-delivery, the aircraft underwent preventative maintenance, interior reconfiguration, and painting at Norton Aircraft Maintenance Services of San Bernardino, CA.

BCI Aircraft Leasing, Inc was founded in 1997 and since then has become one of commercial aviation's leading privately-held operating leasing companies. BCI provides airlines with financial products and services to help them achieve their financial and fleet planning goals. BCI Aircraft Leasing's customer list includes leading airlines such as Air Canada, Air France, KLM Royal Dutch Airlines, Southwest Airlines, Swiss International Air Lines, US Airways, and many other prominent air carriers around the world.
